Image Advertising Creations (IAC) have the unique ability to be able to produce graphics on different Medias up to sixteen feet wide seamlessly. IAC uses state of the art software that allows them the ability to sync your branding logo so that it always looks exactly like what you want, whether it is a business card or a 10' backdrop

IAC is hiring for following positions:

- Industrial Sewing Machine Operators
- Print Operators
- Shipper/Receiver CSR
- Print Supervisor – Small Format

**“On the spot” interviews will be conducted**
